EDUCATION

Remote Full-Stack Web Development Program

Microverse

📅 09/2022 - 12/2024

- Spent 1300+ hours mastering algorithms, Data structures, and full-stack development while developing projects with HTML, CSS, Ruby on Rails, MERN, and Redux

BS(CS), Software Engineering

Fast nukes

📅 08/2018 - 06/2022

EXPERIENCE

Mentor

Microverse

📅 01/2023 - 09/2023 📍 Remote

- Mentored junior web developers, providing technical support through code reviews.
- Proposed improvements to code organization to improve code quality and overall performance.
- Provided advice and tips on how to stay motivated to maintain longevity in the program.

Teacher/Coding Instructor

Fast nukes

📅 02/2023 - 02/2024 📍 Karachi, Pakistan

- Mentored upcoming programmers/developers, delivering lectures weekly to 6 sections, averaging 40 students per section.
- Provided advice and tips on developing logic-building/problem-solving skills and analyzing algorithms.
- Assessed student work weekly and provided feedback to improve code quality and problem-solving.
